## Praying for our missionaries from A to Z

**TIMING.** Pray that our missionaries would have an urgent desire to share Christ. *See Romans 10:1.*

Sheree Williams at Gibsontown Ministries has an urgent need for diapers. She is asking that each church provide one size, so she will get all the sizes she needs. She has asked us to provide diapers in **size 5**. We will be accepting diapers until **February 8, 2009**. You may put them on the table in the Fellowship Hall or if you don't have time to purchase them, we will take your money and get them for you. If you have any questions please see Cheryl Gibson.

### Introducing the Technology in Worship Conference

**March 14, 2009, 8 AM – 5 PM,**

**Wallace Memorial Baptist Church**

If you know of someone in our church who could be helped by this audio/video workshop, how about approaching them and offering a partial scholarship to help pay their registration fee of \$95 for early registrants by February 19. I know something of this workshop, having attended it six years ago, and it would be helpful for our tech team to attend again. If you are on that team, or could help send a member of that team, contact Bro. Mikel today and help "get r dun" for those persons. Complete info available at [www.worshiptechnologyconference.com](http://www.worshiptechnologyconference.com).

### Youth Summer Mission Trip

**Panama City, Florida**

**July 6- 10, 2009**

We will be participating in a summer camp under the leadership of Area One Ministries. The emphasis of this camp will be on spiritual growth for all of us, with some mission opportunities as well. The cost of this camp is \$300.00. We will be doing some fundraisers to help reduce the cost. However we do need to send a \$50.00 deposit by February 15<sup>th</sup> for all students wanting to go. Scholarships will be available; therefore if your child desires to go on this trip we need that information by the 15<sup>th</sup> as well. We are not able to get refunds on our deposits, so it is important that we have as accurate a count as possible.

## Have a Heart

Valentines of every size and description adorn store windows and other places this time of year. The holiday has become a tome for love to be enthroned as a virtue, with the heart symbolizing the romance of our lives.

But the heart symbolizes not only love, but life itself! Without a heart, our bodies cannot survive.

Consider God's word to Samuel: "Do not look on his appearance or on the height of his stature, because I have rejected him; for the LORD does not see as mortals see; they look on the outward appearance, but the LORD looks on the heart" (1 Samuel 16:7, NRSV).

The heart – that inner countenance – shows what we really are. Samuel, was to seek one of the sons of Jesse to be the new king. David, even though he was the weakest physical specimen, was the one selected. His heart was great.

Love looks deeper than outward appearances, and we can thank God for that. Don't be swayed by mere valentine – have a heart!
