# KINGDOM KIDS CORNER

(JUNE 2009)

"It's gonna be a BIG summer! Isn't it, Miss Elizabeth?"

Over a week ago, one of the children came bounding up to me on the front steps of the church. He was ecstatic over the different events that were being planned for the summer. At the end of the conversation, he looked up to me and with the biggest smile said; "It's gonna be a BIG summer! Isn't it, Miss Elizabeth?" His excitement swelled my heart with new energy and enthusiasm for what God is going to do this summer.

That is until last Thursday hit. Have you ever had one of those weeks where it didn't matter what you tried to do you couldn't seem to do anything right? In my frustration, I felt that it was far too early in the summer for me to be tired and discombobulated. Yet, there I was trying to work out details and pump up my energy level. For days, I tried to go through the motions. I was desperate to accomplish something in a timely fashion. However, it didn't seem to matter what I did, it just wasn't working. The summer was not even in full swing yet. What was my problem?

When Saturday rolled around, many of us met at the church to flyer blitz the neighborhood. I will admit that I was less than ready to go out after the week I had. However, as we walked the area, the excitement of all God wanted to do through His church swept over me. The enthusiasm of those who came to help was contagious, and I couldn't help but thank God for all He was doing. I thought that this "blue funk" I was in had ended.

Well, apparently I was wrong. The following days found a grey cloud hanging over my head. The lies of the enemy began sneaking back in. I struggled to understand why there was such an attack before the summer even started. It is here that I was gently reminded that "It's gonna be a BIG summer!" Satan knows that God's people are on the move, and the enemy is no longer welcome in the lives of the children or families around Pine Street. He is not happy about the ground he is losing!

It is going to be a BIG summer, and we need your prayers and help! Vacation Bible School starts Monday, June 8. Be in prayer for the children, workers, families, and staff throughout the week. Pray that God will move in the lives of our young people that they would see that it really does "all come back to Jesus!" Then, Sunday, June 14, we will be having VBS commencement in the evening service. Before and after the service, parents can pre-register for Rock Raiders Night Camp (July 20-24), the Knoxville Zoo Trip (June 30), and the Ripley's Aquarium Trip (July 30). Also, there will be sign up sheets in the vestibule for those wishing to help with Night Camp and Super Summer Sunday Nights.

Starting Sunday, June 7, the children will be able to fill out Fun Sheets. These sheets will help children learn how to take sermon notes during the worship. These will be available each week in the vestibule and in Sunday School. At the end of the Sunday Morning Service, children can bring their sheets to me to receive a special surprise.

**COMING SOON:** Beginning this Sunday night at 6:15, our Super Summer Sunday kids will begin a study on the fruit of the Spirit.

On June 16 at 6:30, the RA's are helping sponsor a church-wide family movie night in the fellowship hall. The film that will be shown is *Charlotte's Web*, and a good time will be had by all!

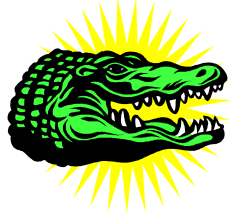

On July 12, we will be having a church-wide Veggie Tales Premier Event! *Minnesota Cuke and the Search for Noah's Umbrella* will be premiered here before the movie is released in stores. Be on the lookout for more information to come!

It is going to be a BIG summer. God is going to do amazing things in the lives of the young people of our church and community. Thank you so much for all you are doing and will do to make these outreaches possible. Satan is running scared at the work God is doing through His faithful followers!

In Christ,  
Elizabeth Brannen
